

CORRUPTION FREE INDIA. FOR DEVELOPED NATION

Corruption is an act of indulging in illegal practices in order to gain monetary or material benefits. The word Corruption is like a glad word for those people who are completely dishonest to the society and themselves too. They are spoiling the future of innocent building blocks of the society. The Painsakers are not getting any opportunity to prove themselves. This is not only a fault of BLACK MONEY holders, we must have to throw a light on those who belongs to a "Tree of Corruption" as a leaf. They all are with the mindset of work to be done in any way. They are not aware of the ruin of their fellow workers and themselves by being unfit for their professions.

By Analysing, these two cases we can say that INDIA is stepping back in economy, Blackmoney holders as one of the reason. INDIA is losing their eligible candidates. Then there will be no extension of INDIA will take place...

CORRUPTION: A Deeprooted virus must have a powerful vaccine. This vaccine may be you, me, or even a small child with transparent mind.

We can perform stage awareness programs mainly in backward areas so that it can reach each and every corner of India. Ways to Make CFI ON.

P.O. Public Information Officer. has to make sure that they provide answers to all the queries when and where asked by the Citizens.

Checkpoint for Corruption called the Central Vigilance Commission; it keeps an eye on Corruption. Setting up fast track Courts to speed up the judgement on important issues because it is rightly said that "justice delayed is justice denied." By maintaining Transparency in every government actions

We, the youth of the Country. We have responsibility. to eradicate Corruption Evil cannot, mustnot destroy the System. "Don't be a leaf of a tree of Corruption as we are having responsibility to outdo or vanish out that Tree".
