Subject:- Telecast of lessons for classes X and XII by NIOS and for classes IX to XII by NCERT.

Madam/Sir,

In the present scenario of closure of schools due to lockdown order, all stakeholders are naturally worried of the academic loss especially for board class students. It therefore is necessary to look into the available resources that can be utilized which would keep students in touch with their studies. In this connection NIOS and NCERT are providing online lessons as well as telecasting lessons on TV.

The details are as follows:

1. **Massive Open On-line Course (MOOCS):** NIOS course is available on MOOCS in all major subjects at Secondary & Sr. Secondary level on [swayam.gov.in/nc\\_details](http://swayam.gov.in/nc_details) /NIOS

2. **Free to air DTH Channels:** DTH Channel no 27 (Panini)

<https://www.swyamprabha.gov.in/index.php/program/current/27> (Secondary) and channel no 28 (Sharda)

[https://www.swyamprabha.gov.in/index.php/channel\\_profile/profile/28](https://www.swyamprabha.gov.in/index.php/channel_profile/profile/28) (Sr. Secondary).

3. **Youtube Channels:** [https://www.youtube.com/channel/UC1we0IrHsKyC7f30wE50\\_hQ](https://www.youtube.com/channel/UC1we0IrHsKyC7f30wE50_hQ) (Secondary) <https://www.youtube.com/channel/UC6R9rI-1iEsPCPmvzlunKDg> (Senior Secondary)

4. **Kishore Manch :** 24 X 7 DTH TV channel of NCERT under [Swayamprabha Ch#31](#) for classes IX - XII students

Besides this efforts are being made to enable the facility of live interactions/reply to queries through phone-in between teachers and students besides the above pre-recorded programs. Suitable online options are also being explored so that teachers can hold live classes. These will be communicated in due course.

Meanwhile wide publicity may be given about the programmes to teachers, students and parents. Teachers may be advised to get in touch with students through e-mail Whatsapp, SMS etc so as to ensure maximum number of students are benefited by the programme.

Yours sincerely

(Piya Thakur)

Joint Commissioner I/C(Acad)
